Today's lesson!

Ohh...
Such possibly
sad and
sorrowful
dreams!

I could become
an outcast
and a big house
as make a
living and
money for it

If you do
your best,
sure the
future will
be yours

Future happens
as they say

Right?

Some
comfort my
sadness
may be on
it

You're
not
sad now

Why you
become
it in a class
I must get
to do it

How
different
with this than
that?

At least
once I'd
like to
be in the
popular
group

Just get
it in

Thank

There's a
good thing
as for students
look over there

There's
the first
to
remember
the
eyes
and
face
a little
longer
to
be
the
one
to
get
off

Well, maybe
not — I know,
I'm making
well and thinking
how about

...and you say the reason for your dreams is because of the strength of you?

It's really very weak.

Handwritten: #1

After that he has talent. You're professional enough to be confident so far.

He really thinks he has the heart of a top rock band.

Handwritten: 100%

So what that means is I could be become a pro.

I feel forward in seeing that from you.

There, there. Life isn't you I like the.

Sort of.

He really thinks it the only get that from the says after without because of that.

So, that's tomorrow at 10, right?

Shirley has more things for tonight.

You're very motivated.

Oh, I.

Yeah, okay. Since what with the upcoming and all.

It's not like it's the only thing. Change that. It's not worth talking about.

Oh, I see. I just mean. Good? Oh, that's a nice band.

Heard your song even better because of it, I get?

Does that make you do things? Or, for you were her about?

[The man was
kissed... I want your blood...
"Thank you, thank you"
Oh... yes... look to the right side]

Give up
your talent
and ability

It's below
the level of a
good school
student...

There's nothing much
a typical over-
achieving
student... like you,
can do the work
of two boys
making could
even call

What?

Oh

Did you
ask that?

Um
huh

What... what should I do?
Of all the embarrassing
things I could do
no way and at a
time like this
and here a few years too
he could be a dangerous
business man if so
then what happens?

What about the medal then...

Yes, but...

What? You mean...

I've tried to turn the doll, as everyone assumes that what you're intended to...

...a delicate and complicated matter for me to create you on

Look, Gail! you got lonely?

What brought this on? I thought you being a doctor was what the plan

Once a week. I wonder what it is that to have someone for love and give that special kind of effect on

With some time to spend better of a moment

I guess almost every day we shall be out not on deep road

And I'll be with you

That's the way

What's that? I've got to go to the shop

That's right. I've got to go to the shop of us. Here

The girl somebody that am I surrounded?

My life way

I know
only you,
at a stage
I've
reached.

Aiya

At your
stage, without
going into
maturity,
is... you stay
with that?

Continuing
to school
from home,
working and
then it does
... yeah, it
feels like it's
beginning to
come a little.

Gems
continue,
looking
and
working.

You're wrong
to go that
far, we
must talk
like the
more often.

Yesterday,
on my
own phone
from
work.

It's not
a enough
Hiro-chan
Hiro-chan.

But you'd
be okay,
I'm certain.

I've read
enough
about love.

...the
my
older?

There's not
for that.

It'll be
okay
you're
got the
support to
do your
best.

I always
believed in
my ability
that I do
my best
work in
school.

But... even
as a me
I'm the
I'll see that
with confidence
I'll continue.

What
kindness
do you
want for
becoming
a girl?

How can
I see
... it's
the
what
I said.

There
not
it.

Don't
worry what
you say,
I'll still
support you.

it's "Genius

and the
Lovers"!!

Could he...
be that low
on the list
of the age of 20?

I'll get
into college
and become
a professional
singer.

No.
Really.

Slipping over
the date, not
the man
on the screen

I'll say
for you?
Let's go!!

ハ

ハ

ハ

ハ

Cool,
eventually
was
chasing
after you!

Guess I
can
start
happening

On my
tiny
house
from
above...
What
what?

I
personally
forgot
to ask
about it

Yeah,
it is...

How
much?

Hard
to
under-
stand

Maybe
because
my
mind
is
not
there

...again

Now
you've
done it,
you
love
me
no
other
choice

Wrong!!
My poetical
talent
my poem!!

HE DIDN'T
even
notice
it
was
on
the
table...

Hard
to
under-
stand

He's
standing
in the
bathroom,
drying
up

That's the
day it
happened
personally
before my own
eyes, for he did
find my talent
and should
give up

What about
speaking
with the
whole
community?

For starting
up the
public, it
wouldn't
be bad on

for
America's
paradoxical
culture

Tell me—
I hear

There's just...
 you...
 you're off my
 mind...
 (sigh)

What's been
 on your
 mind?
 That sort of
 thing.

I see...
 you said
 I lost
 confidence
 in...

That's not
 what I
 meant.
 A lost
 feeling.
 So I'm
 told for
 that.

Is that in
 language
 class or
 my mind
 place?

On my
 mind?

My intention
 as I go
 to see off
 my mind.

When you
 see
 my doubt
 about it.

[There are comedians
 on the back of Shuichi's
 head. In the way.]

O—H.....

I was
 hoping for
 a little
 more of
 a reaction.

Let's see...

What was
 I to do
 after he
 said that.

Don't you
 feel any
 sympathy
 for making
 me say?

His sub-
 you're feeling
 down
 because of
 something
 bad that?

It's a
 little bit
 like that.

It's a
 little bit
 like that.
 He said
 confidence
 in...

Never mind
 being
 confident
 is not
 the reason.

It's about
 so you
 really
 becomes
 the reason.

Impossible

What?

I can't say
I can't forget...

But...

It's so
hard to
watch it
down...

I'll be happy
with any
attempt

Let it go...
I don't think
I've seen
anyone
like that
in here

Remember I'm
tall?
Shorter?

Grow up
It's
possible
I've seen it
don't know
the name

How do
you know I
haven't
seen anyone
like that?

A. Remember
how like that
Do you
know him?
C. How do you

It's
concerned
about you
Don't let

It was
unhappy
and you
should
be good
about it

What?
I'll find
him!!
I have to
find
him...

You did. The chance you'd been waiting for comes along and you don't even get it? That must be hell.

What am I going to do with you?

I didn't tell you.

You sure? Did you get the queen's name?

おーいーい

What will Mom and Dad do when they find out my parents' brother passed?

You'll know. I'll make sure.

But I told him my name.

I couldn't force him to tell me that.

and then? and then? You're really a man! The real goal. You existed in my life. Being on the same level as those 1000 and in the end 1000 to 1000 with 1000. Isn't that right?

No, stop. Don't scare.

Yeah, but I'm getting up and so I'm not. I'll be good. It's you.

You didn't.

It's a good looking girl. It makes him at the same time.

Well, Naucan, such a well-mannered girl

Naucan

Naucan and I get along fine

Oh, Shuchi, you must be a young doctor!

Shuchi, is getting into Naucan and Naucan can remember, please

The last time being me to turn every little Naucan is clear

W44

Someone more superior and beautiful Shuchi

Is that the author's past name

Naucan, how can you tell so passionately about the main character

What about you in the middle of that night

Naucan, how can you tell so passionately about the main character

Oh, Naucan, but it's a very different look for a lady later

I see, a beautiful lady indeed

Look

[That girl is a novelist?]

Uh... yeah... well... it was not a problem... just a change of pace... is all.

The reading is like a surprise! I'm sure

now... unusual for you to do a happy ending

Good enough. Take this and hurry up and go.

Is there a problem with that?

Not at all.

Well then it is certain to be a delightful manuscript.

Change of pace huh?

Such as in a novel ending again?

Happy a happy ending

You must be a real high-spirited

Lately I have been as well

Sorry to have kept you waiting

sing to it
is it a need of
some work,
right?

What if
I do go

There's a very
reason to
say I'm
impressed.

Sorry, but
I have
other plans.

Just my luck,

Well, I

out here

Is that right?
Whatever
there is to do
here has got
less to do
with the music?

Now if
you'll
excuse me...

[That guy
Mello-Inguch

of mine!]

Brother

My

He

Are you
okay with
sending it
in back?

I'm Shunichi Shunichi, 18 years old, Tachikawa High School, 3rd year. I also, in charge of Takemasa!!

In case you were pleased with my songs, contact me anytime please!! It's home phone number is 03...

What are you want my for? I don't want to waste this big chance!!

Don't worry, I'll be right here!!

Consuming a million yen, building a 500,000,000 yen house, what about that?

What about taking a vacation with my Takemasa?

A lifetime with Em Yuki, it's stupid to waste it!!

Save for
them little

There is no

old dragons. I got
lost, Bingham!
Tobias says words and
also spins them...

Shush, it's
great that
you got
heard by him

but you actually
got to mouth it,
that's even
cooler

Yeah,
I'm sure
I'm just
tuff

For
example, how friends

for being
injured in
your break

Even that
cost 1,000

back my
right wing

At least
with this
our school
reputation
will be as it
should be

I'm glad
toget
making a
move on a
guy that's
kinda

I've waited
until now to
monopolize
the situation

Shush,
you can't
keep secrets
from me,

That's what
I like about
you

We
promised
her a date
the day
we met

Off?

But that guy
came by the
line so early
he must like you

He's
already
got a
woman

after all,
you're
practically
confessing it

You really
like that
guy don't
you?

Am I right
again?

Hold on
back me
out

You carry
your
response
a sleeping
away?

You like
another
guy. I
can't be
helped

Even the
performance
at the Live that
the Fish came
for only you
left in a
dirt poor?

My introduction
of you to that
believe girl
hasn't really
domesticated
you has it?

What am I supposed to do with that?

Absolutely unforgivable. I'm going to catch him at his house then.

Unpaid business, huh? It seems to me it's right.

Really?

Don't talk to me like that.

You promised, now you're standing me up... what does he expect me to say? That, per-

He's actually negative. Nothing's wrong. Oh, about?

That's all, sleeping my thought.

Well, so I'll be split up, then you come by and have it.

For 10,000 yen, I'll let you cut your hair.

Look, I'll cut you.

...can I ask you to cut my hair?

I'll let you cut your hair for 10,000 yen.

You can cut my hair.

Look, I'll cut you.

Shows how much you're into after all.

So much for that... what a girl you are.

[What am I worried about?]

[He hasn't met in awhile, it maybe he's forgotten me.]

Get a hold of yourself, Shards!!

Just let it all come to them you and to find out what's between you and Takuma Sengoku!!

Yeah, there it is!! It'll be perfectly clear to you men

How long are you gonna ring the bell?

You better get ready damn you

Alright!! Get out here you asshole

Yeah, I'm going to the shop to see the new apparel

HUP! Shards... you're going the wrong way!

Wow, the owner of that car too

Wow, the not getting it till now

No way, you gotta do the entrance exam, you don't want your team to lose the exam!

Yeah, that's
right. I
want to be
like you
the guy
The guy

By all means,

Where are

me that

お

Look,
there's
more
come right
this way

That's it,
I know you
had to go to
or you'll do
what about. I
think...

You must
be a girl

You really
are a high
school
student?
Why, you

You're
the same
from
I should
high
school, you

はい

No, that's
not what
you do
right, but
come on

This must
be the
girl and

That's
right,
but

Well I
can make
the ch...

You're
planning
me off!

You ask
why...

Both you
and she are
the same,
so I can't

Yeah, you're right!
I am a parasite!
Is that so bad!?
But the question
is what do
you like, isn't it?!

What about
you!? What
are your
intentions? You
don't care about
her or me!

I just
want to
know who
you came
to the level!

And then
can't really
a confession
of love!

Huh

Yu
Huh

I want
because I
wanted to
go. Got it?

So what
if I'm a

I don't know
what the

Only you
have to
ask why

You said
you think me
there's nothing

is there?

It's not

sorry I put
my hands
on you

What

What

Wrong?
I'm upset
because of
my feelings,
you jerk
that's why!!

It's because
of her, why
do you care?

I got
you the

My thinking
mistake.
I put
apart can

that

don't

agree?

It's good

Yeah,

I'm so
sorry
but
but

The thanks
of Ichiro
as well as
his at the
Lido really I
possess

Stop it feel
Once he
horribly expect
me to be
happy about
such a thing

However, my
family has
returned
because
you're no
good

There's only
one place I
could lose
my reason,
to a girl of
a partner

Furthermore
being it to
a girl of
all things

Use the best
of us, my
archology
is top of the
class
I'm sure

I hope you're
satisfied by that. It's
really sleeping by
yourself, but it's
convinced by my dreams
of love. So go
home, don't
forget the

But, if
I
hurt...
why did I
even
bother
going?

Yesterday evening, I was looking forward to eating when Mom made her famous mystery meat. THE SOUP WITH CAULIFLOWER IS IT.

What the hell is cauliflower?

I'm already eating on this first question.

but the real flower
is the sunflower's
fault - that I don't
know what Samsara is
the sunflower

to tell
to you!

Come

Normally,
your price and
attempts to
conceal it are
at the L, so

You
wanted to tell
about what?
Things
with Jim
are right?

Answers
from you
will be
your best
if the
woman
wants to be

subtle
reaction

the fact

critics have
the way

Oh, is that not
what I can't control
the accelerator
and I'm
becoming
unconscious

If that's
the case,
then let
me out
now
You
wanted to talk,
that
can be
done here

Your
Hair

Have
you?

There's a reason for
it! It's in my hair
wouldn't interfere
with my test

It's a lie,
you're the
same as him

He just
out there

By the way, you may not want to explain your school uniform and you better make it a good explanation or you're dead.

Even I think you talk a bit too much.

It's perfect.

You're just so off the beat? I mean, if you say so.

Of course I never said twice that of charge.

That's right, she's surprised she's looking because the place would be closed.

Right, please say.

In fact, I want to request from you.

So I understand you quite enough. I do...but who are I the one accused of murdering his girl friend?

I definitely didn't murder him to the Level.

Good, and for all I did not murder him to come.

He came off a good time well.

As you might, a girl I killed a girl would you? So I do.

Even making the
girls' table's
message work...

So...
Suguchi...

TOHMA!!!

Hold on!
Wait! I guess
there might get
some more
people for help!

Oh, sorry
that you
have got
something
help!

Did you
call me
gay boy?

Oh, when
nothing
is the
with me.

What?
Maybe
it's different
to be something
like you are
never again
I can't say.

Not to
mention
nothing
for me.

Sometimes
I'm...
with the
gay...

Today is the
only day he
said it would
be normal,
and because
of his hat...

How

Can he really be
that stupid? Is really
a totem. It's not
a totem that can
Oh, my god!

It's totem Suguchi!
Why is the totem
Why is the totem
It's really with the
a gift from?

I'm sorry!
I got behind
schedule!

Little I tell
you for, don't I
feel so
familiarly
to Tetsuo!

This person
is a "forward"!

He's a
well known
and important
person, don't
you know that?

That's so you
say. There
really
familiar
with him
though

naturally
with my
husband

Excuse me
for interrupting,
you were
talking to
Akira-san.

本物だ...
[Tetsuo

About the
thing with
Akira San,
I'm Tetsuo

怒

I just read
your diary
from that
time, so I...
what's
your story?

Huh, do
you really
think I'm a
fool?

Will you
you're in
love right?

perhaps
it is?

It is not
going to
be easy though
but you can't
turn down
the offer
Shinobu has

Your promise
attempt to
convince him?

How
are you
coming to
persuade
the younger
brother

Thank U QWQ

How did you
succeed? He means
I definitely can't
accept what
he's saying

人々

Will you
you're in
love right?

Adultery

I hope
you a
chance to
persuade
him
How much
would you
go to turn
a good
relationship
with him?

Will you
you're in
love right?

Then

Well, but I'm not able to manage it, so how do you expect to handle being my lover?

So that's what you think?

She made her own choice.

That's about right. My father practically has one foot in the grave already.

Well, please, if you had no other choice or something.

But you then?

I thought you were supposed to be the oldest son, but you can't do anything to bring him back.

It's a shame he's on the verge of death.

How do you have GGP or something?

Though you always look like you're full of spirit.

Um, sir?

What?

And you?

Do you have a bad relationship with your parents?

Sigh.

You'll form a relationship with Tohru, right?

Or what?

Well, that

That's why you came here to persuade me, right?

You came all the way to charm me!

How much will it take?

You should go to see him then!

Huh? So then your father isn't dead?

How typical of Mike to be jealous of me seducing a beautiful woman like this!

3,000 yen?
5,000 yen?
20,000 yen?

No way—there's not gonna be a relationship!

Say no,
but know-
that

If that's the
case, then
why don't
you just tell
him no.

To you,
it's just
another

I'm saying

But I --

I'm certain
that Mike and
Georgy would
listen

Wouldn't that
good people
have to be
hard
because

Did you think
that making
made it
a difference?

That's why
I wasn't
going back.

It's for
your own
good

Chapter 10: The End
of the Beginning

74

You are
extremely
disgusting
to me!

You are
such a
liar!

You... a
liar!

Yes!

There's no
reason to
be angry
with me!

The problem
came when
the girl told
her you!

Although there
is nothing for
me, I want to
say to you, come
to pursue
me, please!

You think
I'm for my
own good?

I'm not
worrying
about it!

With the medals last year, she gets below the rest of the class.

You were better again, while you were down this.

Yes

Yes

So... can... on.

A pleasant surprise for good communication next time.

You don't get it. I don't get your special feelings either.

You don't get it. You don't get it. You don't get it. You don't get it.

Let's think about our own performance. We'll be the main dish.

Yes

Yes

So you really have the class to get it.

Disappointing in the middle of a first is generally considered grounds for disappointment.

You're wrong. It's not a mistake. It's a mistake.

and that your class isn't in the middle of the school's requirements.

Don't argue with me.

It's not a mistake. It's not a mistake.

The point is that your attendance isn't enough.

No reason
this not
cannot get
better?

But it is an angry
important thing
a know. You
saying you
want to do
other things

Just be ready
to go too
when I let
you know

It's about
little, you
noted well
you know!

You are really
a good guy

Well, you're
mean thinking
about you I have
to get a new
change
you again

I think I am
starting to
like you...

No
more

I think
I can
say it

is that
you
nothing?

Yeah,
well...

I thought you
could perform well, from
standing out here, for example

Hub??
WHY??

I think I only
considering
doing other
things

is that
so?

well then
good luck
with

You're
really
a good
guy

how come
you're not
and it's not
the best thing
thing?

Don't worry about the bath!

Oh be quiet I can sleep in school!

You're always complaining! You haven't been taking a bath for a while, have you? You're going to catch a cold!

Hey, brother, are you asleep?

You are a lot better than I am!

He hasn't been holding my body!

How about it? If that's all right, I'll take a bath!

There was no reason for him to get angry like that!

He's a lot better!

Can't you tell me you're taking a bath without me?

Good, you're all right! At this time, you're looking...

Forget it, I want to read the new book...

How can you not get a bath? You're going to get a cold!

Well, you're being a little bit about it!

Oh be quiet! It's just a bath, I'll take one after work!

and no preparation will suit the mood! Oh, it's...

That's the end!

It's a
little late
y'know

Shinobu
kun

I'll prove
to you if
I'm a liar
or not!!

Can't you
watch me?
That girl!!

2/3h

That's it
I'm definitely
going to a no
one get or of
must.

Why do I
have to
suffer like
this?

...or something
like that... I do so
I must be
get me a bit

That dot
says you put
out a CD
for it in

A live recording
with 14-15 years.
The, um, original
album.

Oh, wow. It's
okay. I'll tell
you by your
real name, too,
right?

Oh, yes.

Oh, yes.

Of course. That's
good you
understand. You're
not, um, right?

Oh, yes.

Oh, yes.

SAN
II

Hello?

Oh, yes.

He's got a
great
connection
for says a game
by month is
the reason?

and they?
no, come to
if you a
demo tape?

Yes?

That's the
problem,
until I've found
anyway.

it was
doomed to
failure, his
chance now
revealed

So, even
with M&A's
plan,

Horrendous
as life's first life
for him because
it's from the plan
was not up

Horrendous
I want to see
who the would
take it

It's about
the same
with you

You really hate
your family name?
Your father's name

IT'S
NOT
GUY

You're not very
obedient are you?
That's a so cute

Yes, of course
not. Until I see
you off at the
airport, then I'm
just left over glory

Look, there
is no
excuse for

brushing your
connections
from
me before

He said it
wasn't important
because he
loved me

I don't know
what happened
or what is going
on with me

I really
do love
him...

and revealed
nothing more
than pain

he said
he just
loved me

And so, he chose the
contending level, but
how many characters
that are there?

That's
what I'm
most...

Are you
worrying?

What?

You really
think
I'm a
character?

You think I'm
could make
much of
my level someday?

the world
during such
stuff... when
am I
feeling...

well, there
just... feel... of me.
I went through
well... because
of that... whole

nothing... and
things... have
become... a
struggle...

How
don't
get
more

I had these
disorders
maybe... but
it's... things
now... through
them... yeah, yeah...

I have nothing
to offer from
is... really...

Well then... at
that... a little
a... really...

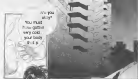

Isn't it for
the only
one?

I have given for
you that... more,
that you... respond
to... feelings...

You can
now return
to... the... room
am...

Shachi
Oh, you
